

## Grade boundaries - June 2012 exams

### GCSE

This document presents grade boundaries for GCSE Full courses, Short courses, and Double Awards.

For the **unitised specifications** unit-level grade boundaries are shown and where units consist of two components, the scaled mark component boundaries are also shown for the judgemental grades only.

For the non-unitised **Mathematics (4365F/H)** specification, the subject-level and component-level grade boundaries are presented.

Component grade boundaries for the **Functional Mathematics unit of GCSE Use of Mathematics (Pilot)** are summarised in a third table at the end of this document.

Uniform mark grade boundaries can be found in Appendix A of the [Uniform Marks Leaflet](#)
