As Curriculum Leader of PE please explain the role you play in promoting SMSC and British Values across your curriculum.

I see PE as a fundamental part of SMSC – EVERYTHING we do in PE develops our children’s spiritual, moral, social and cultural values as a British citizen. We have designed SOL’s to focus on ensuring it promotes the values of creativity, communication, leadership and teamwork, we also challenge students to think about co-operation and working with a variety of different children of different abilities and interests.

	Examples of developing students’ SMSC awareness in your curriculum area.
Year 7	<p>Gymnastics – Students get the opportunity to be creative and use their imagination when creating pieces of work. Develops skills of evaluation and reflection.</p> <p>Dance – Bollywood and Bangra styles of dance explored</p> <p>Games – A variety of games (Netball, Football, Hockey, Basketball, Badminton, Handball) allows students to develop sporting conduct and fair play.</p>
