Dear Parent/Carer

FRANKLIN AND TURING HOUSES

I am writing to you to inform you of two staffing changes that are taking place in the summer term that will affect both Franklin and Turing Houses.

We welcome back Miss McNulty who is returning from maternity leave to resume her role as the Head of Franklin House. Mrs Revill will continue as Franklin Pastoral Manager.

Mrs Thompson is going on maternity leave from the second week of June and Mr Cater will be taking over to cover the absence with Mrs Brown to continue in her role as Turing Pastoral Manager. We wish Mrs Thompson all the best and we will welcome her back next year.

I entirely understand that staffing changes create a degree of anxiety for parents and carers however we have these areas covered and the transition will be smooth.

Below are the email addresses for the two Houses.

If you have any issues or queries do not hesitate to get in touch with myself or the team.

Yours sincerely

Mr R Walkden
