11<sup>th</sup> January 2018

Dear Parent/Carer

## **Y11 PARENTS' EVENING**

The Year 11 Parents' Evening is on Thursday 25th January 2018 from 4.30pm to 7.30pm at Ecclesfield School. Given that we are now moving into the final stage of your child's most important year at Ecclesfield with the main school exam period only eleven school weeks away, this evening is of extra importance.

**Your child should be making appointments with their class teachers, particularly in subjects where their forecast grades are below target or where they are not on track to meet the expectations for progress.** During the evening you will be able to talk to your son/daughter's subject teachers about the key areas that need to be addressed in order to ensure success in their final examinations.

At each appointment on the evening, your child's teachers will ensure that you have:

- *detailed feedback about how your child performed in the December school exams.*
- *clear learning targets for your child to work on at home.*
- *strategies for planning and revising effectively for the final exams.*
- *information about after-school study support sessions and free revision resources.*
- *friendly, instructive information and advice relating to careers*

In previous years, the Year 11 Parents' Evening has been a useful opportunity for parents to speak not only with class teachers but also Heads of House, Pastoral Managers and Senior Leaders. If you would like a specific appointment, please do not hesitate to contact us using the contact information below. In order to accommodate as many parents as possible, some staff may be available before 4.30pm. Please inform your son/daughter whether this would be acceptable to you.

**We look forward to seeing you and your child on Parents' Evening. Please ensure that your son/daughter brings their planner with them so that any learning targets and other information can be recorded on the evening.** On arriving at school you will be asked to sign in at the Sports Hall entrance where you will receive revision materials and further information en-route to your appointments.

Thank you for your continued support. Hopefully, by working together we can ensure that examination success in the summer is achieved.

Yours sincerely

*C Evans*
