

Dear Parent/Carer

As part of the careers guidance and education programme we deliver at Ecclesfield School, your child has access to Kudos, the latest program from CASCAID.

Kudos is accessible online and we are encouraging the use of it at home where possible, to involve parents with the important decisions your child has to make about their future options.

Kudos will help your child to assess their interests and skills, as well as letting them explore and research different education and career options, enabling them to make informed decisions about their future.

To access the program please visit www.cascaid.co.uk/login and click on the 'Login or Register' button; your child can then create an account using the schools unique licence code which is available on the careers section of the learning platform.

All CASCAID programs come with a comprehensive range of support materials including the Parents'/Carers' Guide to Careers Education & Guidance. This Guide will help you understand the options available to your child at each transition stage.

To view the Parents' Guide please visit www.cascaid.co.uk/support/products/kudos/getting-started/guides/ (scroll to the bottom of the page to download the guide).

At Ecclesfield School our aim is to ensure that all students have the resources to fully explore and research their future options. We hope that you find Kudos useful and informative.

For any additional information about the careers guidance support your child is receiving, please do not hesitate to contact me.

Kind regards,

Lesley Cassell
