

## Ecclesfield School: Provider Access Statement – August 2019

### Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

### Student entitlement

Students in years 8-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through pathways evenings, assemblies, group discussions, and taster events.
- To understand how to make applications for the full range of academic and technical courses.

### Management of provider access requests: Procedure

The SLT Lead for Careers at Ecclesfield School is Mr Richard Walkden (Headteacher); Providers wishing to request access should contact the Careers Adviser, Lesley Cassell [lcassell@eccoschool.com](mailto:lcassell@eccoschool.com), Tel: 0114 246 1156 x1148

### Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to speak to students and/or their parents/carers:

### Premises and facilities

The school will make the main hall, classrooms, or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations where possible; this will be discussed and agreed in advance of the visit.

Providers and employers are welcome to leave a copy of their prospectus or other relevant literature in the Careers Resource Centre, which is managed by the Careers Assistant. The Resource Centre is available to all students before school, after school, at lunch, and at break times.
