

Year 10 Notices (SMSC)

Message from Mrs Thompson

Today is the first session for 25 year 10 students to check in with school & prepare for the return to school with the rest of the year group having their sessions in the following days, weeks – I'm sorry I can't be with you as I am heavily pregnant now but Mr Wood has done a video of support on behalf of the y10 team & I am still here via email etc for any worries, questions you may have! Everything we can do has been done to ensure you feel safe & comfortable so please try not to worry about being in school!

I have had a very busy weekend with my little boy turning 3 in lockdown yesterday, birthday celebrations & socially distanced presents dropped off for him – lots of recycled cardboard boxes, wrapping paper & toys to make up!

The most inspiring part of this experience so far has been YOU! I have had some wonderful emails from year 10s wanting to make changes in these uncertain & challenging times, especially with the black lives matter issues which have been highlighted sadly for the wrong reasons – asking how we can change the negative attitudes in our community first then the wider world! Keep the ideas coming guys you can change the world!

Remember:

Now more than ever it is important you are keeping focussed, have a good routine & are learning so we can work together to help you succeed!

WORK HARD - AIM HIGH - BE KIND - SHOW GRIT!

We look forward to seeing you all soon!

Stay safe, we miss you x

This Week...

Worried about returning to school? How will it look? Please look at the information shared on our school website & social media & remember we here to help – email dthompson@eccschool.com bfoster@eccschool.com

- Huge shout out to all of you receiving teaching & learning certificates well done keep up the good work!

- What are your thoughts on the recent events? Is it enough to simply not be racist yourself or should we all ensure we challenge Racist actions/ comments.....

Eccoclassof2021

Please follow us and share with us your work, your hobbies and generally how you're doing! Share your heroes, thanks, fun things getting you through. Your space.

HEALTH & WELL BEING Task:

Worried as you've maybe lost focus or not managed to do all the work you've been set from teachers or avoiding school emails as you're behind?

Don't panic! 1st Write a list of the positives you've achieved then the areas you've not managed to do. 2nd email your teachers – if we know the issue we can help, we are not here to tell you off we know its hard. Keep going!

Keep On Learning:

Back to it Year 10! If you have or are struggling please try the health & well being task – it will help you break down what you need to do into small bitesize pieces which you can then tick off once you have completed them.
