Mental Health Week 18-24th May

Children's Mental Health Week was celebrated in February 2020. This week is also Mental Health Week and the theme is '**kindness**'. Kindness could change someone's whole day, their week, their lives. We can all work together to create more kindness within our schools, homes and communities. We have seen so many fantastic acts of kindness over the past few weeks, for example Captain Tom Moore. Let's continue to spread kindness at this time. #KindnessMatters
