Message from Mr Willson

Hello again everyone. I hope you and your families are all well. The weather has taken a bit of a dip, and the sunshine seems to have disappeared, but don't let this stop you from getting outside. I have started practising my keepy uppies in my garden (see to the right!) even though it's a bit wet! Now I've completed my 5k, I'm looking to get to 10k... Wish me luck! Please keep in contact and let us know if we can help. You can email me or contact me via our social media. Take care, hopefully see you soon and miss you all!

Have a go at our daily challenges and share with us!

Mindfulness

Gratitude

In difficult and confusing times, like we find ourselves now, it is important and useful to show gratitude for what we have. Attached with the bulletin is a gratitude journal where you can think of 3 things you're grateful for each day. Give it a go and share your thoughts with us!

BBC Bitesize - Coping with Covid19

As well as the weekly timetable of lessons that you can access, BBC Bitesize also has some advice on ways of dealing with the current situation. Follow the link below <https://www.bbc.co.uk/bitesize/articles/zvv66v4>

Keep on Learning

Continue to complete as much work as you can, checking your emails and Google Classroom daily. **Remember your teachers are available on email to support so if you're stuck, contact them!** Also check out the BBC Bitesize lessons 4th - 8th May!

Celebrating success

Well done to LB and CB for some excellent gardening. All sorts planted including tomatoes, beetroot, lettuce, carrots, cauliflower, onions and garlic! #WorkHard

- Work Hard
- Be Kind
- Aim High
- Show GRIT

Word of the Week

Tolerate - allow the existence, occurrence, or practice of (something you dislike/disagree with) without interference.

Mr Willson's Top Tip

Create a timetable for your day - you could even follow your school one. Having a plan for each day will help you be productive. Try to go to bed and get up at school times, too.

Gratitude:

When we are stressed or anxious it is really easy to focus on the negatives and feel like nothing ever goes right.

But the world and our lives are full of positives, even if they are just the small things.

To help our minds to feel happier it is good each day to list three things you are thankful (grateful) for. This could be people, hobbies, favourite belongings, singers, tv shows, nature, pets, a compliment someone gave you...absolutely anything.

Day 1:

I am grateful for:

1. _____
2. _____
3. _____

Day 2:

I am grateful for:

Day 3:

I am grateful for:

Day 4:
