

Year 10 Notices (SMSC)

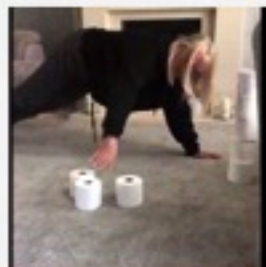

Message from Mrs Thompson

Hi my lovelies,
Wow year 10 are smashing the PE challenges! We love seeing you take part & promoting positive health & wellbeing! If you'd like a giggle head over to the schools social media sites – Facebook
Twitter
Instagram
School website
& EVEN our own Youtube channel, where you can see all the updates & both Mrs B Fosters & my attempt at one of the challenges! Mrs O Hara put us both to shame with her brilliant shining lights video! YOU legends are also highlighting how great you are Dilan & Hannah leading the way with social media & Miss Gouldens Spanish class in the home learning stakes! Well done guys!

Stay safe, we miss you x

No babies were harmed in the making! If heavily pregnant Mrs Thompson can do this challenge you cant! I think staff should win just for this!! @OfficialEcco @eccoclassof2021

Keep On Learning:

Year 10 please make contact with your class teachers or myself or Mrs B Foster if things are difficult, we are here to help!

This Week...

heppSY have kindly produced some great advice & resources to help plan your next steps, See the next page for your Second installment.

Careers and Higher Education resources for home learning

Hepp Hub lesson plans, videos and information sheets

Hepp have plenty of resources for students, staff and parents, for a range of year groups. You need to register, but it takes 2 minutes and is free. Watch the videos (like the ones below), or do some of the activities!

Explore Barclays Life Skills, including virtual work experience

Barclays have lots of activities, videos and useful resources for students who are thinking about their skills, experience or getting a job. You need to register, but it's free. Here are a few suggestions for where you could start:

- Know your strengths and skills on the ['Wheel of Strengths'](#).
- Haven't got a CV or want to improve yours? Use the [CV builder](#).
- Are you applying for an apprenticeship or job that requires an application form? The [Job Quiz](#) will help work out what the employer is looking for.
- Have your work experience plans changed? Get some [virtual work experience!](#)
