Message from Mr Willson

Hello everyone. I hope you and your families are all well. I will be sending out a bulletin each week to share some information and keep in contact with you all! I hope that you have managed to access your work this week and have kept yourself busy. I have started trying to run 5km a few times a week and I'm finding it really difficult but I'm going to show GRIT and carry on! I'd love to hear from you and what you've been up to. You can email me or contact me via our social media below. Take care and miss you all!

Year 9 notices

This week...

- We would have had our Y9 Olympics poetry competition. I'd still like to run this so submit a piece of poetry to me by Friday 24th April and I will give some prizes out on our return to school. :)
- We now have a Y9 Twitter (eccoclassof2022) and Instagram (ecclesfieldschoolclassof2020). Please follow us and share with us your work, your hobbies and generally how you're doing!
- Each week, I'll give you 6 days of challenges at the top of the bulletin. I'd love you to share anything that you've done with these!

Coming up...

- There were lots of exciting trips, clubs and events planned for Y9 and I want to reassure you that we will make sure these happen at some point, you won't miss out!
- SMSC (Spiritual, Moral, Social and Cultural) is really important to keep up during this time. Keep an eye on the Y9 social media account for some information regarding online safety and the increasing popularity of apps such as zoom and houseparty.

Celebrating success

Each week, I will nominate a student who has shown our school values! So make sure you're letting me know what you're up to.

- **Work Hard**
- **Be Kind**
- **Aim High**
- **Show GRIT**

Word of the Week

Variable - Not consistent or having a fixed pattern; possibility of change.

Keep on Learning

Remember to check your emails and Google Classroom for work being set by your teachers. Contact them if you have any questions or concerns. It's really important you keep working hard during this time and maintain a routine that demonstrates our school values.

Mr Willson's Top Tip

Try and give yourself a separate place where you do your work. This will help you avoid distractions and stay focused.
