Message from Mrs Thompson

Hi my lovelies,
I hope you and your families are well (thank you to those with KEY WORKERS helping keep us all well, fed, equipped etc) and that you are supporting your family where you can. Remember if you need any support or are finding it difficult you are not alone we are all here to help you! Our fantastic form tutors as well as myself & Mrs B Foster – we love to hear from you & miss you all.

Thanks to everyone who has been submitting school work. Your commitment to learning and showing GRIT is appreciated and will benefit your learning when we return! Keep in touch with your teachers it will help you long term.

This Week...

Twitter is now up & running;
Eccoclassof2021
Please follow us and share with us your work, your hobbies and generally how you're doing! Share your heroes, thanks, fun things getting you through.

Coming Up...

Sadly due to Covid 19 it has been decided that Work Experience will not go ahead this year. Any students that have already secured a place, Miss Munden will be contacting all employers to make them aware. We are sorry that this decision has been made, but when the lockdown ends, employers will be extremely busy getting their businesses up and running.

Keep On Learning:

Lessons are being updated regularly on google classrooms by your class teachers. Please contact them if you are having any difficulty completing or accessing work. There are also a number of revision sites and books that will have been recommended by your teachers. It is really important that you keep working hard and maintaining a routine during this time.
