

Ecco Year 7 Student Weekly Bulletin WB: 13th April 2020

Message from Mr Silcock

Hi Year 7. I hope you and your families are all well and enjoying the Spring sunshine. I am going to be sending you a weekly bulletin as another way of staying in contact with you all. As we have started the Summer term, I hope that you have all been able to access your work that your teachers have been setting you on our various learning platforms. I hope you are all getting out for your daily exercise. I am really enjoying exploring new walks with my daughter and seeing all the wildlife. It would be brilliant to know what new things you have all been doing whilst learning from home. Let me know by dropping me an email.

Year 7 notices

This week.....

23rd April is St Georges day. How much do you know about the patron saint of England?

Keep on Learning

Your teachers are setting you work in lots of different ways. Keep checking your school email for details of where you can access this work. Do not worry about contacting your teachers directly if you have any questions or are need support with your work. We are still here for you all!

Our Community: One of our amazing Ecco family has been doing amazing things with their free time. I LOVE this!!

Word of the Week: Variable – Not consistent or having a fixed pattern; possibility of change (quite apt, given our current circumstances 😊)
