

Ecco Year 8 Student Weekly Bulletin: WB 20/04/20

Day 1:

Call a relative or a friend for a chat

Day 2:

Help out with a household chore

Day 3:

Design an indoor sports game activity

Day 4:

Make a poster of things you are grateful for

Day 5:

Design a revision activity for one of your subjects

Message from Mr Wood:

Hello everyone, I have returned for a short while to keep you informed in the form of a weekly bulletin as a means to keep in contact with all of you. I hope you and your families are well (especially those who's parents are still out working to keep the community ticking over) and that you are supporting your family where you can. Try to stay active too, I'm getting in a walk most days and have even taken up Zumba on my Nintendo switch (only hit the ceiling light once!)

Thanks to everyone who has been submitting school work. Your commitment to learning and showing GRIT is appreciated and will benefit your learning when we meet again. Over 200 paper work packs were sent out on Friday for those who requested them.

It would be great to hear from you and what you have been up to. Email Twood@eccoschool.com with stories and photos of ways that you have been keeping yourself busy. Stay safe everyone, we (especially Ms Brown) miss you all!

Year 8 Notices (SMSC)

This Week...

-At the top of this bulletin are 5 days of challenges. They can be completed in any order! Send me Photos and stories of your efforts so that they can be shared on the weekly bulletin!

-Monitor the school Facebook, Twitter and Instagram account for additional activities.

Coming Up...

As you may have guessed, all planned clubs, trips and celebration trips for Y8 have been put on hold. Please be assured that these will be re-arranged so that you will not miss out. SMSC based tasks will be set on this bulletin each week to take part in.

Word of the Week:

Variable - Not consistent or having a fixed pattern; possibility of change.

Mr Wood's Top Tip:

Get yourself into a routine. Produce a schedule for the week, stay active, work hard and get plenty of sleep!

Celebrating success

Each week, I will nominate a student who has shown our school values! So make sure you're letting me know what you're up to. Prizes awarded when we return to school

Keep On Learning:

Lessons are being updated weekly on google classrooms by your class teachers. Please contact them if you are having any difficulty completing or accessing work. There are also a number of revision sites and books that will have been recommended by your teachers. It is really important that you keep working hard and maintaining a routine during this time.

LOADING
PLEASE WAIT...

Not much to share on this page this Week.

Hopefully we can fill it with photo's and stories of all the activities you have been getting up to. In the meantime...

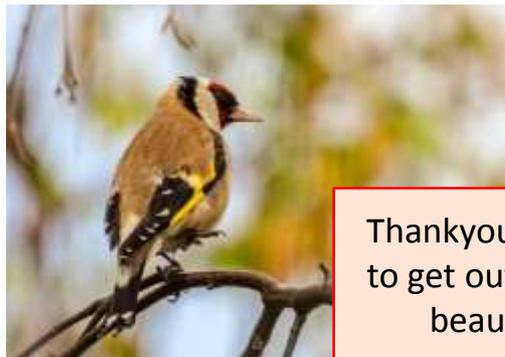

Thankyou to the staff (and Royal Mail) who will be getting work out to hundreds of students this weekend.

Thanks to parents who have embraced becoming home teachers.

Sheffield teenager joins fight to keep frontline NHS staff safe by 3D-printing protective face shields

A budding engineer from Sheffield has joined the fight to keep frontline NHS staff safe against coronavirus by 3D printing protective face shields.

Thankyou Mackenzie Lake, and any other students who are doing what they can to support our frontline staff with your own time and resources. Our school is proud of your actions

Thankyou British weather, for allowing me to get out on my daily walk and see lots of beautiful wildlife in the local area.
