

The Microsoft Teams logo, featuring a white letter 'T' on a dark blue square background, is positioned on the left side of the slide. The background of the slide is a gradient of blue, with a large, stylized white 'T' shape that is partially filled with a lighter blue color, creating a layered effect. The overall design is clean and modern.

T

An Introduction to Microsoft Teams

What is Microsoft Teams?

Online software that can be accessed anywhere on any device.

Teams = Classes

A way to communicate with your teachers

Share files and work

How to access Microsoft Teams

- Go to the Office 365 Website
- You can then log in with your student Microsoft Account and then select Teams
- You can download the app on your devices

What you will see

- A grid of your different Teams
- You will have a different Team for each of your classes, you may even have classes for clubs!
- To open the Team just click on the icon

Team Icon
7b/Sc1

Inside the Team

‘Posts’ is like a big conversation where you can comment on posts

‘Files’ is where your teacher may upload resources

Assignments is where Tasks will be set

Team Name

EEH 10a/Sc1

General

Student Channel

Recorded Lessons

Live Lessons

The screenshot shows a Microsoft Teams channel interface for 'EEH 10a/Sc1'. At the top, there are navigation tabs: 'General', 'Posts', 'Files', 'Class Notebook', 'Assignments', 'Grades', 'Insights', and 'Mr Youles Video Requ...'. The main content area displays several posts:

- A post from 'C' dated 11/06 19:24 titled 'Physics Live Lesson Reminder - Friday 11am'. The text says: 'Hi guys! Just a reminder that we will be doing Lesson 2 of magnetism this Friday at 11am (tomorrow). I hope to see even more of you there than last week! Here is a question for you to think about if you have time before the session, based on what we learnt last week: Electrons travel clockwise in an atom's orbit. See more'.
- A post from 'C' dated 12/06 10:48 titled 'Cron5 | Epsom and Ewell High School'. The text says: 'Hi Guys - I will be posting the live lesson in the live lesson channel of our team this morning. Please join at 11am and not before as I need to go in a few mins before you to set up the lesson and start the recording. Remember to bring a pen and paper! EEH 10a/Sc1'.
- An 'Assignments' post dated 15/06 09:03 titled 'W/B 15th June - Mr Cuthbert - Chemistry - Chemical change revision'. It has a 'Due Jun 21' label and a 'View assignment' button.
- Another 'Assignments' post dated 15/06 15:40 titled 'W/B 15th June - Biology - Mr Youles - Recorded Lesson - Protein Syn'. It also has a 'Due Jun 21' label and a 'View assignment' button.

At the bottom, there is a text input field with the placeholder 'Start a new conversation. Type @ to mention someone.' and a row of icons for various actions like chat, voice call, video call, etc.

Writing a post

- If you want help, you can ask a question to your teacher on Teams.
- You can do this in 'General'
- If you @ your teacher they will get a notification.

If the name is in blue, that person has been mentioned. @TeachersName will work!

Files

-  Inside the 'Files' Tab your teacher may upload documents for you to use.
-  See the example on the right.
-  When you find what you are looking for you can download it!

Assignments

When you open the 'Assignments' Tab you will see a list of set tasks.

Click on an assignment to see the instructions and attached documents.

W/B 30th March - Physics - Mr Youles - RP1

Points: 22 points possible

Due 19 April 2020 23:59 • Closes 19 April 2020 23:59

Instructions:

GCSE COMBINED SCIENCE: PHYSICS - REQUIRED PRACTICAL 1 - SPECIFIC HEAT CAPACITY.

Please can you do the following: (You can complete these within the document RP1 - Specific Heat Capacity)

1. Research the required practical, producing a written method with a diagram. (Include all of the equipment you will need to use to take each measurement.)
2. Identify all of the variable - you will need to control more than one thing!
3. Create a risk assessment for the practical - Include Hazards, Risks and Precautions.
4. What table would you use to record your results?
5. What would the graph of results look like?

Once you have completed the above, can you please answer the attached exam question. Make sure to include working for any calculation questions.

To submit your work:

When you are finished the work on the word documents on the word document, click on the white "close" button on the top right. To upload your other work, click on "+Add Work", then click on "Upload" and select the file(s) you want to submit. If you have completed the work on a computer this will be straightforward; if you have completed it by hand please take a photo of your work, save it to your computer and upload that. When all your work is ready be sure to click the purple "Turn in" button on the top right.

RP1 SHC Exam Q.docx

RP1 - Specific Heat Capacity.docx

A screenshot of a Microsoft Word document titled 'RP1 SHC Exam Q.docx'. The document contains a question about specific heat capacity and a table of experimental data for four metals: Aluminium, Brass, Copper, and Steel. The table has columns for Metal, Mass of material in kg, Time in minutes, Temperature in °C, Change in thermal energy in J, and Calculated specific heat capacity of material in J kg °C.

Metal	Mass of material in kg	Time in minutes	Temperature in °C	Change in thermal energy in J	Calculated specific heat capacity of material in J kg °C
Aluminium	1	10	2	4 780	2 390
Brass	1	10	4	4 660	1 165
Copper	1	10		4 600	657
Steel	1	10	5	4 690	938

Assignments

Submitting work

- Make sure to click Turn In when you have uploaded all your work!
- The page will clear when everything is complete #winning

Hand in

Points
No points

Nothing left to hand in. #winning

Notifications

- Using Teams, you will get notifications for various reasons.
- When a new assignment is posted, there will be an @ next to Teams.
- If your Teacher makes an announcement you will also get a notification
- When work is returned there will be a dot by Assignments

General Activity – a post has been made or you have been mentioned

You have a chat message

You have been mentioned in a Team post

Work has been returned

Live Lessons

- If there is a Live Lesson there will be a post in the Team.
- To join click the purple banner at the start time.
- You will then need to join and make sure you have the correct settings!
- If you want to ask a question you can use Raise your hand.
- You can also type questions in the chat

Make sure your Camera & Microphone are off!
