

### Did you know?

**Accelerated Reader** is accessible from home for all Year 7 students to take quizzes and the books don't have to come from the school library.

### Tips for supporting your child's learning at home

- Use [www.ARbookfind.co.uk](http://www.ARbookfind.co.uk) to search for books you may have at home or nonfiction articles your child can read digitally.
- Encourage your child to read for at least 30-minutes every day.
- Talk to your child about their book. Who is their favourite character? What do they predict will happen next? What is the genre of the book?
- Read to your child and listen to them read aloud to you (even strong readers benefit from this time).

Reminder: While it's important to share reading experiences with children at any age, it is equally important that your child completes their **AR quizzes independently** so we can effectively monitor their progress and identify areas of need that we can address.
