

A parent's guide to MyOn- online reading programme.

Ecclesfield School has purchased an online reading platform, myon to encourage students to read for pleasure both at home and at school.

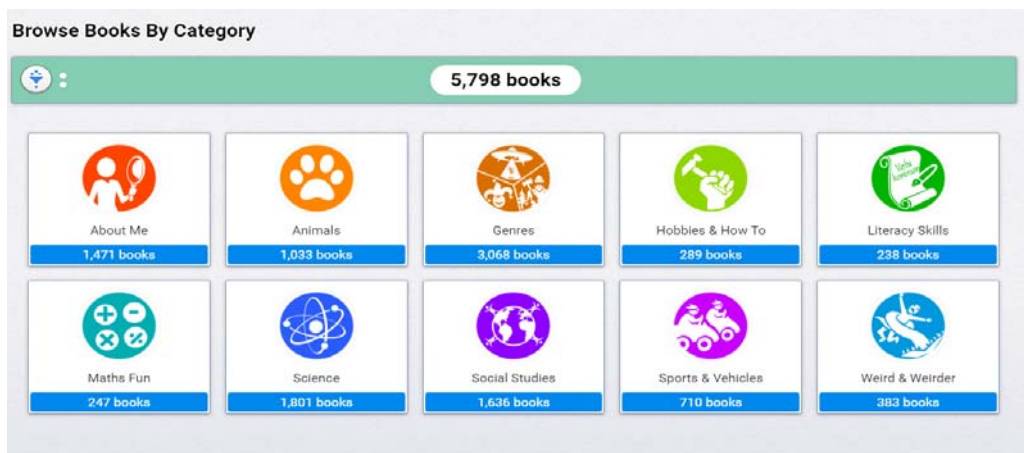

Just go to www.myon.co.uk

Access the website by entering the school name, followed by your child's unique user name (6-digit admissions number) and generic password (abc).

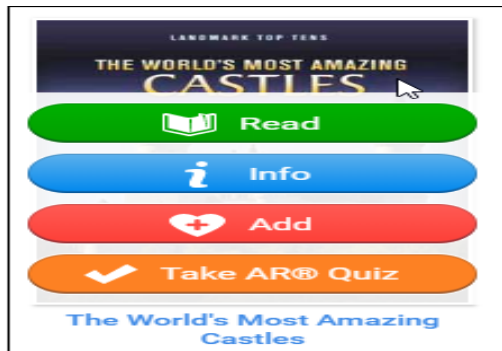

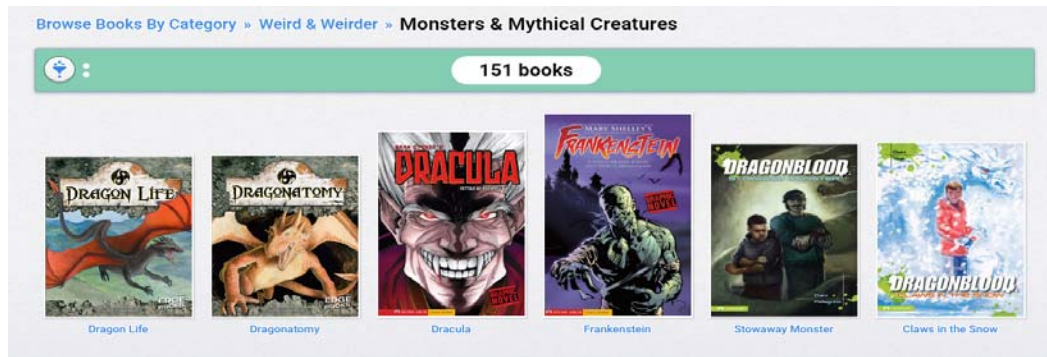

Alternatively, access via the MyOn link that can be found on the school portal

Choose from thousands of titles- search through categories

Filter by topic, book level, genre or book length.

Select an option to:

- Begin reading on line
- Search more information
- Add to favourites, to read later
- Take an Accelerated Reader quiz (Y7)

Your child will also be able to:

- Highlight any words within the text that they don't understand to display the definition
 - Highlight any words to play an audio of the pronunciation
 - Rate and review the book online
 - Edit their book choice by interest
 - Personalise their account with an avatar image
-
- All years groups (Y7 to Y11) have automatic access to the programme.
 - Students have the option to choose books based on their reading levels (ZPD) as identified by STAR reading assessment.
 - Students in Y7 and Y8 also have the option to take an **Accelerated Reader** quiz once they have finished reading their book.
