Maths Y7DC1 milestones and corresponding evidence

Milestones (Sparx Maths Revision Video)	Evidence
• Place Value • Rounding • Adding and subtracting • Multiplying • Dividing • Calculating with negative numbers • Order of operations • Expressions • Substitution • Solving equations • Time • Converting units of length, mass and capacity	DART 1 Homework Do Now's

Maths Y7DC2 milestones and corresponding evidence

Milestones (Sparx Maths Revision Video)	Evidence
• Line and shape properties • Perimeter • Area • Coordinates and shapes • Factors and multiples • Primes • Writing and comparing fractions • Adding and subtracting fractions • Single brackets	DART 2 Homework Do Now's

Maths Y8DC1 milestones and corresponding evidence

Milestones (Sparx Maths Revision Video)	Evidence
• Percentages of an amount • Percentage change • Calculating with money • Index laws • Solving Equations • Term-to-term rules • Position-to-term rules • Ratio • Scale drawings	DART 1 Homework Do Now's

Maths Y8DC2 milestones and corresponding evidence

Milestones (Sparx Maths Revision Video)	Evidence
• Significant figures • Co-ordinates and midpoints • Area and Units • Area and Circumference • Standard form • Venn diagrams • Factors, multiples and primes • Nets • Surface area • Volume	DART 2 and 3 Homework Do Now's

Maths Y9DC1 milestones and corresponding evidence

Milestones	Evidence
Higher Tier • Product of Primes • Area and Perimeter • Laws of Indices • Transformations • Expanding • Ratio and Portions • Fractions • Time Series • Stem and Leaf Diagrams • Cumulative Frequency Diagrams	DART 1 Homework Do Now's
Foundation Tier • Four Operations on Integers • F, D, P • Angles • Directed Numbers • Algebraic Notation and Substitution • Place Value and Decimals • Area and Perimeter • Percentages	DART 1DART 1 Homework Do Now's

Maths Y9DC2 milestones and corresponding evidence

Milestones	Evidence
Higher Tier • Factorising • Percentages • Rearranging Formulae • Standard Form • Decimals, Including FDP Equivalences • Trigonometry • Coordinates and Linear Graphs • Error Intervals	DART 2 Homework Do Now's
Foundation Tier • Conversions • Money • Expanding and Factorising • Fractions • Rounding • Properties of Number • Solving Equations • Using a Calculator • Ratio and Proportion	DART 2 Homework Do Now's
