

October 2018

Dear Parents & Carers,

We have just completed the first half term of our new academic year and what a busy time it has been.

Our term started on the back of a successful set of exam grades that is a reflection on the work put in by our students and the staff.

There have been many changes to the school since September and I thank you for your continued support as we do all we can to make Ecclesfield School the best it can be.

Our Year 7 students have settled in superbly well and I take great pride in watching them grow in confidence every day as they develop in their new school.

Our Year 11 will have school exams after the break and they have hit the ground running this half term as they embark on this important part of their young lives.

May I take this opportunity to wish you a lovely break and remind you that school re-opens on Monday, 5 November at 8:40 am.

Yours
