

What is NCS?

NCS is a once in a lifetime opportunity that helps you build for work and life, while you take on new challenges and meet new friends over a four week programme as follows:

Phase 1 ADVENTURE (WEEK 1)

In your first week you will be travelling with your team into the country side to an outdoor adventure activities centre, from Monday to Friday. Getting to know each other and experiencing the freedom of being away from home with new friends. In this week you'll get the chance to take part in adrenaline-fuelled activities with your team mates: like rock climbing, kayaking, abseiling and gill scrambling.

Phase 2 FUTURE HOME (WEEK 2)

After the weekend you will be reunited with your team, to live away from home in university style accommodation, again from Monday to Friday. You get your own flat, room and en-suite bathroom! You will be given a budget to buy food and cook for yourself, with the help of your team. There will be a come dine with me competition towards the end of the week to showcase your new found cooking skills to your team leaders. You will also learn some huge life skills that will make you stand out from the crowd. During this week you will become a qualified first aider whilst also learning and developing new personal skills, which will help towards building a killer CV. We also do some training with the blind, the Academy Self Defence and Drug Awareness.

Phase 3 MAKING A DIFFERENCE/ SOCIAL ACTION (WEEK 3 & 4)

In these two weeks you get to put all the skills that you have learnt into practice as a team. Agreeing on a social action project that will really make a mark on your local community. This is your chance to do something amazing, plan your own project, fundraise for it and make it happen. It might be renovating an area, raising money for a charity you support, setting up a youth club or setting up sports camps for local kids. These are your own ideas to make a difference to your community!

Phase 4 GRADUATION

Once you complete the programme, you get to celebrate with a big graduation! We invite parents, players, MP's your teachers to come and celebrate you completing the programme and watch you come on stage and collect your certificate. After the ceremony we have a big party to finish the NCS in style, last year we had a disco at the Cutlers Hall, photo booths and an amazing party! Once you are a graduate you are part of the NCS graduate and you will be invited to some of the greatest shows and events nationwide, and we constantly develop ways to keep you involved with us and the community.

WHAT'S IN IT FOR YOU?

Not only do you get a two week holiday with all your friends, but you will gain further skills for work and life that will look great on your CV. NCS is recognised by employers as it develops the skills that they are looking for such as confidence, teamwork and leadership skills. As well as this NCS is also recognised by UCAS and if you are thinking of applying to university it will make your personal statement really stand out!

HOW MUCH DOES IT COST?

As you can imagine, the cost of running the program is quite high however the programme is heavily subsidised by the government so you will pay no more than **FIFTY POUNDS!** Not the one thousand plus that it costs to run, great value! The £50 covers your travel, accommodation, and food, activities and even a t-shirt and water bottle!
