March 2019

Message from Miss Melody – Progress Leader Y11.

Another incredibly busy term for Y11 with mock exams, real exams, Strive for 5 in English and Maths and the production "Return to the Forbidden Planet." The recent exam results from the CiDA, BTEC Sport and Engineering courses have been very promising and the Y11s are not in a great position to come out with excellent results in August. The mock exams have produced some excellent results with students improving by over a grade (and sometimes more!). Credit to the wonderful Y11 students who have given everything to these exams. The recent Strive for 5 Days at Chapeltown Academy were very successful with the staff and Headteacher at the Academy commenting on the maturity and positive attitude to learning of our students. Finally, the school production showed what incredible role models we have in Y11. I still can't believe the ability of our students to juggle the demands of Y11, as well as prepare for such an amazing spectacle. Well, we are now on the final push towards the real exams – good luck and thank you for your on-going support.
